

Case Study: Stagecoach

Stagecoach Group and is one of the largest bus operators in the UK which operates express and local bus services across the country, as well as a network of intercity operations under the megabus.com brand.

The Challenge

Stagecoach services play an important role in helping people all over the UK, therefore they were keen for this to be reflected in their new office where creativity and openness was integrated.

The Brief

The CAT B refurbishment of space we had delivered 6 months earlier which consisted of meeting rooms, bespoke joinery to suit business.

WORKSPACE⁷
DESIGN & BUILD

Our Solution

Workspace Design and Build delivered the new office utilised acoustic panelling and sound absorption materials.
